

SPORT PILOT GROUND SCHOOL

Spring 2026 Learn to Fly - Waupaca

Interested in:

- Becoming a Pilot,
- Passing your FAA written Exam,
- Enhancing your aviation knowledge,
- Knocking off some rust?

Join FAA Certified Flight Instructor Gary Olsen for a fun and effective journey towards earning your pilot's certificate. Classes start **Monday March 23 at 6 pm at the Waupaca Municipal Airport**

What you will learn...

Via clear and detailed graphics, simple memory aids, understandable analogies, and great discussions, this class simplifies the complexity of learning to fly through various topics including:

- Aircraft Components
- Aerodynamics
- Flight Instruments
- Airspace
- Airport Operations
- Weather
- Navigation and Flight Planning

Pilots, rusty pilots and future pilots are welcome to attend.
